

Workshop on Aviation and the Environment

8th June 2022, 15.00 to 19.00

City University of Applied Sciences, Bremen

We are happy to invite you to the Workshop on Aviation and the Environment. The objective of the workshop is to kick off a discussion on research on Aviation and the Environment. Hence, we will have only a few short presentations (of 5 minutes) and spend more time on discussing problems.

15.00 to 15.15	Welcome Armin Varmaz, Bremen City University of Applied Science
15.15 to 16.00	Session on Environmental Policy: What are the main issues? Bill Hemmings, Rosetta Advisory, formerly T&E, Brussels, "It's the environment, stupid." Baars, Yari, Ministry of Infrastructure and Water Management, Netherlands, "How can we capitalize on the theoretical potential of the Frequent Flyer Levy?"
16.15 to 17.15	Climate Change Policy: Airlines Gerben de Jong, VU Amsterdam. "Emission Pricing and Capital Replacement: Evidence from Aircraft Fleets" Gunnar Quante, Aireg. "Market Introduction Measures for SAF" Wolfgang Grimme, DLR-Cologne. "The road to sustainable aviation fuels – more questions than answers"
17.30 to 18.30	Air transport Infrastructure: Airports and Air Traffic Control Hans-Martin Niemeier. "Airports and the Environment" Alessandro Massaro, Università di Parma, "Multi-airport network and environmental fragility: a quick overview of the Balkan regions". Marina Efthymiou, Dublin City University. "Air Traffic Control and the Environment".
18.30 to 19.00	GARS Working Group: Aviation and Environment Bill Hemmings, Rosetta Advisory, formerly T&E, Brussels
19.30	Dinner Place to be announced

This is a preliminary draft program. It is a **hybrid workshop**.

Venue: Bremen City University of Applied Sciences, Flughafenallee 10

Participation is free of charge, but the organizers highly encourage all participants to become members of the German Aviation Research Society. The membership form can be found online.
